Driving directions : Arriving from Colville

1. At the roundabout (south end of Colville), take the third exit and head west on West Hawthorne Avenue, which at the bend turns onto South Railroad Street.
2. Proceed north to the roundabout at the junction with US 395.
3. At the roundabout, take the third exit labeled "North 395." You are now on US 395/State Route 20. Shortly after the roundabout, Vaagen's Mill will be on your left and Walmart on your right.
4. Continue on US 395/State Route 20.
5. Approximately one mile past Super 1 Foods, and immediately after Hewes Craft (both on your right), turn right (north) onto Williams Lake Road. A yellow warning sign for the junction with Williams Lake Road is posted by the entrance to Hewes Craft. A sign with balloons for the Michael Family reunion will also designate the turn.
6. Proceed north on Williams Lake Road approximately five miles.
7. The lane to the reunion site will be visible to your right (east) as you descend a hill. You will see a road number marker labeled "620" and a series of mailboxes. A sign with balloons for the Michael Family reunion will also designate the turn.
8. Proceed down the lane and across the wooden bridge to arrive at the main reunion area. Please see the site map (above) regarding parking, tent camping, and RV camping areas.

Driving directions : Arriving from Kettle Falls

1. From the Old Apple Warehouse (130 East 3rd Avenue), proceed toward Colville on US 395/State Route 20.
2. Travel approximately six miles until you see a yellow warning sign for the junction with Williams Lake Road. A sign with balloons for the Michael Family reunion will also designate the turn. A very short left turn lane is available some yards after the warning sign.
3. Turn left (north) onto Williams Lake Road, and follow directions steps 6 through 8 listed above.
